The Western North Carolina Conference shares with the whole church a sense of deepest loneliness and loss in the death of one of its chief pastors, Bishop Walter R. Lambuth.

We would record our profound gratitude to God for a spirit so rare, a character so saintly, whose every fibre was wrought in prayer and service, a life unparalled in the history of our church for serene trust, militant courage, heroic achievement, and a love that constantly dared the impossible and challenged the church to follow intelligently. The need of men and the will of God made his horizon and gave him his daily task, at which he wrought with exceeding joy as a skilled workman that needed not to be ashamed.

Such men as Walter R. Lambuth, radiant with holiness, great with the gentleness of God, Christ-centered in aspiration and purpose and toil, are the chief need of the church and our age.

We would express our sympathy to his beloved wife and children in the lonely California home, whose brave cheer strengthened him for his sacrificial service on every continent. We pray that to them there may come a fresh sense of our Father's gracious, comforting presence and power, and His mighty, understanding love.

Resolved, That a copy of this paper be sent to Mrs. Lambuth, to the North Carolina Christian Advocate, to The Christian Advocate, and that it appear in the minutes of this session.

We want also to express our thanks to the secretaries and to the newspapers, the ministers of other churches, the choir, the automobile drivers and owners, the sexton and the shoe-shiners.

We also express our thanks to Bishop Darlington, who has traveled among us, preached, dedicated churches, held many district conferences and presided over our Annual Conference for four years, and we pray that God may continually guide and bless him in all his journeyings.

APPENDIX

REPORT OF THE BOARD OF EDUCATION

The Board of Education has had under consideration reports concerning the Christian Education Movement from the General Board of Education and from the Conference Educational Secretary, and respectfully offer the following recommendations:

First—We are gratified at the splendid progress made towards the attainment of the five objectives of the Christian Education Movement. When all of the conditions are taken into account, we believe that what has been accomplished is little short of marvelous. It is a great tribute to the faithful service and loyalty of the preachers and people.

Second—We desire to state that the campaign has not closed and we feel that it should not close until the entire quota for this Conference is raised. If our institutions needed $33,000,000 a year ago, the movement has multiplied that need, by awakening a desire for Christian education. The schools of the church last year turned away 5000 for lack of facilities; they probably have lost more heavily this year for the same reason. We are, therefore, in the midst of an incompleted task. Every charge in Methodism has been assigned a definite part in a great co-operative effort to solve its educational problem, and we urge our people to continue their efforts for this cause until the amounts assigned the various charges have been secured.

Third—That the presiding elders in the first round of Quarterly Conferences in answer to the question, "What is being done for Christian education?" secure accurate reports from pastors and church collectors or directors concerning the general economic condition in each charge. We further recommend the canvass be continued and that the full amount of each quota be subscribed if possible by the General Conference of 1922.

Fourth—That we urge our people to pay promptly their educational subscriptions when they fall due, that pastors and presiding elders do what they can to secure prompt payment, and that as most subscriptions fall due November 1st, we fix the first week in November as Pay-Up Week. The schools and colleges of our Conference are sorely in need of money, and as a means of relief the

co-operation of pastor, presiding elder, and people is urged in an effort to secure the prompt payment of pledges.

Fifth—That if church collectors in any charge or charges have not been appointed, they should be elected at the first quarterly conference of the ensuing year.

Sixth—That where the original pledge cards have not been sent to the Educational Secretary, the pastor arrange to have them sent to him at an early date.

Seventh—That W. O. Goode be appointed as Conference Educational Secretary-Treasurer.

From the reports of our schools we show the following facts as being worthy of special mention. We note the continued growth of efficiency and number of students enrolled in Emory University, at Atlanta, Georgia, and heartily commend this school to the favorable consideration of our young ministers and would urge them to avail themselves of its advantages. We are gratified to note the increased usefulness of our Correspondence School, and would urge our undergraduates in the Conference courses of study, as far as practicable, to avail themselves of its help in the preparation for the work of the ministry.

The reports from Trinity College, Greensboro College, Davenport College, Rutherford College, Weaver College, Jefferson School, and Weddington Industrial Institute all show these institutions are over-crowded and turning away students for lack of room. We rejoice in the improvement and enlargement now in progress or planning to be made in these institutions.

These institutions stand in great need of every dollar of the askings of the Educational Movement. When they shall have received this support, they will be in position to adequately meet the demands made upon them.

We recommend for the coming year an assessment for the school work of our Conference of $23,500 and $3,000 for the Sustentation Fund. The amount raised on assessments for our Conference schools shall be apportioned as follows: To the support of the Ivey Chair of Biblical Literature at Trinity College, $3,000; Summer school and incidental expenses, $500. Of the sum remaining there shall be paid on a pro rata basis as follows: Greensboro College $3,750; Davenport College, $3,750; Rutherford College, $3,750; Weaver College, $3.750; Jefferson School, $3,000; Weddington Industrial Institute, $2,000; Sustentation Fund, $3,000.

We request the General Board to appropriate the sum of $9,000 to the schools within our Conference. The same to be divided as

follows: Rutherford College, $3,000; Weaver College, $3,000; Jefferson School, $2,000; Weddington Industrial Institute, $1,000.

REPORT OF THE BOARD OF MISSIONS

We have given careful consideration to the communication from Dr. W. W. Pinson, General Secretary of the Board of Missions, to the resolutions passed by the chairmen of Conference Boards of Missions, and to various matters for the advancement of the work within the Conference. In all this we realize that we are in an era of enlargement. Hence we are being called upon for advancement.

There is every indication that this day of opportunity has not come to our Church before, and unusual responsibility will test the courage and loyalty of the Church.

Nothing less than the enlistment and mobilization of the entire force of our Methodism will answer this challenge of the centuries. We can no longer be content with a mere missionary constituency composed of small detachments, gathered here and there out of our Church—we must utilize the full strength of our Church and marshal it for the Kingdom. Only out of the heart of a Church thus saturated with the missionary idea and responsibility can we hope for the number of and type of young men and women needed to man our fields, nor the means to carry on.

The local church is the center of influence and power. Our problem is the getting of our local churches organized, instructed and fired with the missionary passion. No amount of overhead organization, no number of well organized campaigns can ever adequately compass the task we have in hand; we must bring to the last and least of our churches the world vision and ideal of service. We should unite in all our missionary leadership to carry down to the individual church through all its organizations the spirit of missions.

This is the only method by which the Centenary pledges are to be collected. There is no collecting agency that will take the place of the church itself and its own workers.

In view of the fact that on January 1st, 1922, the fourth payment on Centenary pledges become due, while a considerable sum is yet unpaid on the now past due payments, we recommend that the local church Centenary Treasurers, in their district meetings some time in November, plan for the immediate collection of unpaid pledges and that the month of December be made Pay-Up month and that the week 11-18 be made Pay-Up week, and that Sunday, December 11, be made Special Pay-Up Sunday.

We recommend that the Board of Missions of this Conference be authorized to secure articles of incorporation, with the understanding that they conform with the Discipline of our church.

This Board has entered into an agreement with the Conference Board of Church Extension, the General Board of Church Extension, and the Quarterly Conference of the Boone church to complete the church building at Boone. Mr. E. A. Cole has been elected Commissioner by the Board of Missions to act in this undertaking.

TEXTILE INDUSTRIAL INSTITUTE

We commend to our Conference and through our pastors to the membership the claims of the Textile Industrial Institute, with the hope that our Ladies Missionary Societies will become interested in handling their products in a systematic way, and that our men of means interest themselves in the plans of this unique missionary enterprise, which carries so much promise of help in working out our industrial problems. We believe any help given this worthy cause in their campaign would be a very helpful investment.

We recommend the reappointment of R. M. Courtney as Conference Missionary Secretary. We nominate C. H. Ireland Conference Lay Leader and J. F. Shinn a member of the Chapel Hill Comission.

EVANGELISM

Right at the heart of the whole Missionary and Centenary Movement is Evangelism. Without the evangelistic spirit and work the other things that we may do will be largely, if not wholly, in vain. Shall we not, right in the beginning of the year, make our plans for our evangelistic work so that every church in our conference shall come to the end of the year with the realization that all has been done that could be done to deepen the spiritual life of its membership and that an earnest effort has been put forth to lead every unsaved individual within reach to a saving knowledge of Christ? We commend to our pastors the suggestions on evangelism made by the General Conference Evangelistic Committee.

We recommend the appointment of P. E. Parker as Conference Missionary Evangelist, Rev. Raymond Browning as General Evangelist, and James H. Green and G. W. Fink as Conference Evangelists.

REPORT OF BOARD OF CHURCH EXTENSION

This Board began its annual sessions without the leadership of Walter Thompson, the lamented President, and was forced to the necessity of some reorganization. We have continued our meetings with a deepening sense of our great loss. Walter Thompson had a sensible sympathy with every church enterprise in our Conference, and has met the difficult tasks of the past with conspicuous wisdom. We wish to record our tribute to the leader fallen in courageous service to our common cause.

Rev. J. H. Barnhardt was elected president of the Board, and a member of the joint committee for Chapel Hill church in place of Walter Thompson, deceased.

The number of applications to our Board increase annually, while the resources at our disposal remain about stationary. Therefore we find it impossible to grant the amount asked for in all the worthy appeals before us.

After careful consideration, the following donations and loans have been made:

Churches	Donations
Cherryville	$500
East End, Gastonia	500
Belmont Park	500
Spencer Memorial	500
Epworth, Concord	500
Grace, Revolution	250
Mayodan	100

Parsonages	Donations
McAdenville	$300
LaFayette Street	300
Belmont Station	300
Gibsonville	400
Marion Circuit	100

LOANS

Pleasant Garden	$1000

The emergency loan of $500 made by the executive committee to Jones Memorial is approved, and same is to be replaced from general funds to the emergency fund at a later date.

The other applications before this Board were carried over for future consideration.

We respectfully ask that the presiding elders and pastors do not make promises to the people about what this Board can do, leading the people to expect too much, causing them disappointment and bringing the Board into disrespect.

(Signed) J. H. BARNHARDT, President.
L. B. HAYES, Secretary.

REPORT ON TEMPERANCE AND SOCIAL SERVICE

REPORT I.

The first year of nation-wide prohibition has recorded great progress in law enforcement. Billions of dollars formerly wasted in liquor have been turned into banks and invested in life's necessities and luxuries; workmen's efficiency has been increased 15 per cent; crime reduced 50 per cent; drinking reduced 65 per cent; 50,000 persons have been saved from alcoholism and death, and 60 million bushels of foodstuffs diverted from strong drink to other channels. Religious services in some jails have ceased, there being no prisoners. The central police station at Baltimore has introduced moving pictures to entertain idle policemen. Mr. Kramer, the head of the prohibition enforcement division at Washington, believes the greatest benefit has been a generation of boys and girls growing up with no appetite for strong drink, and he says: "Leave the Volstead Act on the books two years more and drinking will be a lost art."

These and numerous other great blessings resulting from prohibition partially and imperfectly enforced, should urge all true patriots to their utmost endeavor to bring about complete enforcement. The enemies of prohibition are working hard to make true their anarchistic threat that "prohibition won't prohibit." And the fact that over three thousand illicit distilleries were taken in North Carolina last year, and that in 39 counties 826 distilleries were seized and 341 blockaders were convicted in eight months, and that the grand jury in one county at one term found true bills against more than one hundred liquor offenders, should convince all minds that the liquor fight is not over, and that temperance people must, for awhile at least, work as hard for the law's enforcement as they did for its enactment.

The practical annulment or any serious weakening of the Volstead Act now adroitly sought by the liquor forces would prove an unspeakable calamity, with our present strikes, unemployment, and all our industrial unrest; with our lustful dance halls, our night joy riders, and so many of our youth acraze with a moral abandon of which their parents never dreamed.

Therefore, we would recommend that all our people use every practicable means available to secure the enforcement of the prohibition law:

(1) By electing congressmen who favor adequate enforcement of the Eighteenth Amendment under the unmodified Volstead Act;

(2) By displacing unfaithful local and state officers with such as would merit and command the co-operation of all loyal citizens;

(3) By reporting to the proper officers all suspected violaters and by aiding as fas as possible in the just prosecution of the guilty;

(4(By co-operating with the Anti-Saloon League in its commendable efforts tc achieve the foregoing ends.

Other nations are showing encouraging interest in American prohibition. Every reference to it by the American delegates to the recent Ecumenical Conference in London was applauded. The nations are watching America, and prohibition America must lead the world.

On September 23, 1921, agents of the liquor interests in twelve countries met in Geneva, Switzerland, to plan a wrold-wide anti-prohibition campaign; but one month earlier 600 delegates from about thirty nations met in Lausanne, Switzerland, to plan a world-wide prohibition campaign. The issue is joined. The fight is on, and every believer in God expects prohibition to win.

We commend the faithful and efficient labors of the North Carolina Anti-Saloon League, and trust our pastors have kindly accepted the invitations of Mr. Kohloss, our state prohibition director, to co-operate with him and his officers in the enforcement of the prohibition law.

We commend the appointment by this Conference of Dr. Daniel Atkins and Dr. L. C. Smith as its trustees of the N. C. Anti-Saloon League.

We recommend that this Conference urge upon the U. S. Senate the prompt passage of the Willis-Campbell bill now held up by filibuster in Congress.

We would recommend the observance in all our churches of the 30th day of this month as "The World's Temperance Sunday," and if our publishing house has no program for said day, we advise the use of an especially prepared copy of the American Issue, by the American Issue Company, of Westerville, Ohio. This paper will have articles by some of the greatest prohibition authorities in the world.

Since the injurious effects of cigarette smoking by boys is an accepted fact, we believe the law against the sale or gift of cigarettes to boys should be strictly enforced and that we cannot consistently urge the enforcement of the prohibition law if we are indifferent to another law's violation involving the serious consequences of the cigarette habit.

Since the use of tobacco is becoming more and more opposed by scientists, as poisonous to the human body; by medical authorities, as injurious to health; by educators, as weakening the mental powers; by Christian parents, as threatening the finest development of their sons; by the business world, as impairing industrial efficiency, and by religious bodies, as often inimical to the spiritual life,

We therefore, believe Christian people shold discourage the use of tobacco.

REPORT 2

In our report adopted last year we called attention to the vast changes which our industrial and social fabric would probably undergo through world reorganization. These changes were much more imminent than any of us foresaw at that time. Credit has crumbled, industry has h alted. More than three million men are unemployed. Strikes are numerous and uncertainty has beset the business world. Untold suffering will reach our own people this winter.

The moral depression has been almost as marked as that in the business world. Only in the South have the church and spiritual forces been able to present an assertive front. Crime waves roll over the world like the waves of the sea.

The political world is in chaos and will remain so until the gospel of Christ subdues the angry passions of men, overcomes their greed and points the way to the rebuilding of the social and political fabric upon the solid rock of eternal truth.

With all this turmoil and confusion about us we turn again to the Social Creed of the Federal Council of the Churches of Christ, and find it the highest expression of our faith in a divine justice and compassion ruling in the industrial and social world. We therefore reiterate our adherence to this Creed and again urge that it be printed upon the first page of our Advocate, that all people may become familiar with its purport.

We wish to commend President Harding for calling a Council of the nations to discuss the Limitation of Armaments, and request all our people to join in public prayer that God may direct the deliberations of this council, and that a way may be found by which the sword shall be beaten into a plowshare and the spear into a pruning hook, that the burden of war taxation may be lifted from the weary shoulders of the toiling masses, while billions of dollars will be liberated for the relief of suffering and for the promotion of the public weal.

We wish to commend the government of North Carolina for the tremendous advance along all lines of social uplift, which has placed our beloved state in the very front ranks of forward-looking commonwealths. Our hearts rejoice in the continued improvement in public schools and public roads, the relief of the suffering and wayward through our public philanthropic institutions. We congratulate both of the great political parties for uniting in this epoch-making legislation.

The subject of Inter-Racial Relations is engaging much of the best thought of our greatest minds at this time. Our church took its initial step in this matter when the last General Conference made a declaration of its belief in a policy of co-operation between the church and leaders of the colored race, in earnest efforts to understand the causes of friction between the races, "to develop larger sympathies between white people and negroes and to condemn acts of injustice by whomsoever committed."

The Woman's Missionary Council of our church in session in April, 1920, declared their acceptance "as workers in God's kingdom, of His challenge to show forth His power to settle racial dif-

ferences." Following the spirit of this declaration, the Council created a Commission on Race Relationships, which has done notable work in arousing missionary women to a sense of their responsibility toward the race weaker in numbers and less favored in opportunity. This commission is working vigorously to establish women's inter-racial committees in local communities, to work especially in the interest of negro women and children.

During the past summer the Annual Missionary Conference and the Board of Temperance and Social Service of our church in session at Junaluska, passed recommendations which call upon every annual conference for decisions touching inter-racial policies. They have laid upon the conscience of pastor and people the urgent need of taking the lead in such methods of co-operation between the races as have been found productive of great good in more than eight hundred communities in which the Commission on Inter-Racial Co-operation have already established Inter-Racial Committees.

We therefore urge the members of this Conference to study the methods of the Commission on Inter-Racial Co-operation, to which this action of these bodies of our church have pledged us, and further, we recommend that our local churches take an active part in their communities in the creation of Inter-Racial Committees, which committees shall consist of two groups, one of white men, the other of sane, outstanding colored men, who are safe leaders of their people; that these committees be made common forums, where differences may be frankly stated, confidences invited, and a better mutual understanding established; where movements may begin in the spirit of Christian brotherhood leading to more far-reaching justice to higher standards of fair dealing, to common endeavor for community welfare, with strict preservation of racial integrity.

We believe; (a) that having the superiority in numbers, education, wealth, and civic position, it is the obligation of the white race in the South to secure to the Negro a fair provision for education, recreation, living conditions, justice in the courts, economic justice, and a share in community welfare.

(b) That while our state has a reputation for fairness to the Negro, there is a yet higher place for it to occupy in this regard, and that we must set ourselves to achieve that place by attaining the patience, tact and thought for his advancement and safety at school, in his home, on the street, in travel, and at work that Christian brotherhood demands of us.

(c) That we must not only condemn lynching and all forms of mob violence, but pledge ourselves to the upbuilding of obedience to law and respect for its decisions.

(d) That we must teach our young people respect for race and for racial integrity, using the opportunities afforded in our homes and Epworth Leagues, Young People's Societies, prayer meetings and Sunday School classes.

(e) That we must seek opportunities for helping in the training of Negro leadership in education and religion.

In view of the need of our church for better organization for social endeavor, we request this body to memorialize the next General Conference of our church to organize the social work of the church under a General Board with a permanent General Secretary, and that the work be more fully outlined and directions given for the activities of the Social Service Committees and boards in the various conferences of the church. Some of the churches are achieving such notable results along this line that we feel the need of a permanent secretary to collect such valuable information and disseminate it throughout the church and to formulate such policies as will best develop the social activities of the territory we occupy.

(Signed) W. M. BORING, Chairman.
T. J. OGBURN, Secretary.

REPORT OF SUNDAY SCHOOL BOARD

The Board is pleased to announce that Mr. Oscar V. Woosley has been re-elected as Sunday School Field Secretary of this Conference; also that Miss Ida Womack, of Reidsville, has been re-elected to the office of Superintendent of the Elementary Division of Sunday School work. Both have accepted and will continue to maintain headquarters at Lexington, N. C.

Sunday School Day programs will continue to be furnished, free of charge, to all schools that will agree to observe the day and send in the offering to the Treasurer of this Board. These programs will be furnished by the Field Secretary. The offerings taken on that day should be sent immediately to Mr. H. A. Dunham, Treasurer, Asheville, N. C.

As an experiment for this year, the Board is authorizing the Field Secretary to expend in each district, in the furtherance of Sunday School work therein, as much as 25 per cent of the total amount of Sunday School Day offerings that are sent in to the Treasurer of this Board from the Sunday Schools of that district. This fund is primarily intended to finance in part the district or-

ganization that has been set up in every district of the Conference.

In order that both of our secretaries can give even more of their time to travel within the districts of the Conference, the Board is going to provide an office assistant, for at least a part of the year, to take care of the detail work.

The Board wishes to commend the authorities at Trinity College for lending, to several of the Standard Training Schools conducted during the year, different members of the faculty for special courses of training.

Each year the Board hopes that an increasing number of the teachers and officers of our Sunday Schools may have the privilege of attending Standard Training Schools. Additional Standard Training Schools will be authorized just as rapidly as funds for their maintenance will be provided by the Conference.

The Board endorses and commends to the careful attention of Sunday School workers the plan adopted at Andrews, North Carolina, for the purpose of securing a larger attendance upon the various Sunday Schools of that town. This method is now known as "The Edgerton Plan," because it was put in operation primarily by Supt. M. T. Edgerton, of Andrews, assisted by our pastor there, Bro. M. T. Smathers.

The Board has asked Bro. Smathers to write out the details of this plan and publish it in the North Carolina Christian Advocate at an early date.

This plan calls for the co-operation of the public school superintendent and teachers with the Sunday School workers of the whole city or community. The public school teacher, on Monday morning, records the attendance of each child at a given Sunday School on the preceding Sunday. The public school gives an attendance credit to the child for attendance upon any Sunday School of the city or community. Wherever the pleasant co-operation of the superintendent and teachers can be secured by the Sunday School workers of a town or community, this simple plan seems to offer a fine method for increasing attendance upon all the Sunday Schools of the community.

The importance of religious education has been greatly emphasized during the past year by the Christian Education campaign. Everywhere individual members of our Sunday Schools and churches are coming to have a conviction concerning the tremendous necessity for doing better Sunday School work. Each year the field workers of this Board render more efficient service to the Sunday Schools of the Conference. Because of the co-operation of the members of the Conference and the local workers in the field,

this Board now looks forward to the best year of Sunday School service that has ever been rendered to our Conference through its field secretaries.

The Board requests the Conference Program Committee for the next Annual Conference to permit the Anniversary Service of this Board to take place on Wednesday evening, the opening day.

GEO. L. HACKNEY, Secretary.

REPORT OF EPWORTH LEAGUE BOARD

Carlyle uttered a great truth when he cried, "Happy is the man who has found his work. He needs no further happiness!" We believe the Epworth League, more than any other institution of the church, is helping our young people to find their work. One of the foremost leaders of present day Methodism recently defined the Epworth League as "The younger membership of the church organized for Christian fellowship and functioning in all departments of Christian work."

It is most gratifying to note the steady growth of the Epworth League in nearly every part of our Connection. Within the past three years this staff and office force in the central office at Nashville has been increased from three to eleven. The mmbership increase in the past year has approximated 20 per cent and is now well beyond 145,000.

If we can maintain this rate of increase it seems that we may yet dare to hope that the disciplinary requirement that Epworth Leagues be organized in all our charges shall be met.

The growth of the League in our Conference for the past two years has been remarkable. The increase in the number of local chapters has been more than 100 per cent. The pastors, officials, and church membership in many instances, seem to be turning to the League for a large part of that training which must be given the children and young people of our communion.

The Life Service Superintendent of our Conference reports that 79 choice young men and women have definitely volunteered for life service. This in itself should move all of us to render hearty thanks to God for stirring these young hearts to this momentous and glorious decision.

The Annual Epworth League Conference held at Morganton last summer was attended by 260 regularly constituted delegates and was declared to be the largest and livest body ever entertained by that fine town! The presence of 215 fresh, morning hearts at the sun-

rise prayer meetings was a scene most unusual and wonderfully inspiring, but even this was eclipsed when on the last night of the Conference 75 members of "God's preferred class" crowded about the altar of the church in a great consecration service, pledging themselves to go anywhere and do any work to which He may call them in the future.

Our Field Secretary, Miss Grace Bradley, has been abundant in labors, giving herself without stint to the work of making more skilled and efficient the eight thousand organized young people coming directly under her influence. Miss Bradley has been retained by your Board for the ensuing year and we beg that our pastors and church leaders open a door of opportunity to her.

The Junior and Intermediate Leagues, under the wise guidance of Miss Gertrude Falls, are increasing rapidly in number and efficiency. However, there are many churches where the children might be organized and thus bring them to a larger and clearer conception of church life.

The district secretaries also have been diligently busy during the year and have rendered fine service. We urge that the pastors use their secretaries in the organization and development of chapters within their charges.

We believe that nothing is more important to our Epworth League work than the organizing and maintaining of mission study classes. These study classes will give to our young people a world vision, will make heathendom a tragic reality rather than a dream, show them the heathen's need of the gospel, and will reveal the gospel's marvelous power to transform life and build character anywhere and under any circumstances.

We believe the Epworth Era to be among the foremost magazines of America and urge all our pastors and Leaguers to read it.

We humbly thank God for the success of the League in our Conference and suggest that we take as our motto for the year the words of a famous British publicist, "The union of all who love, in the service of all who suffer."

(Signed) L. A. FALLS, Chairman,
J. FRANK ARMSTRONG, Secretary.

CHANGE IN CERTIFICATE OF INCORPORATION

When this Board made its first report to the North Carolina and Western North Carolina Conference in the fall of 1919, each Conference appointed a representative to confer with a representative of the Board concerning proposed changes in the certificate of incorporation; these representatives, to-wit: Col. J. F. Bruton, Rev. J. F. Kirk and Thos. C. Hoyle, Esq., met and formulated a report suggesting certain changes in said Certificate. This report was submitted to all three bodies, and approved. The Board has now had the Certificate amended in accordance with said report.

It is obvious that in the near future it will be necessary to increase the size of the Advocate in order that it may furnish the matter required to its readers. But before this can be satisfactorily done it will be necessary to expend something like $35,000 for new and enlarged equipment. The managers are anxious to make a larger paper and are willing to devote themselves energetically to the expansion of our church organ, but it will be necessary for the church to furnish them the necessary means, or make some ar-

rangement whereby the larger equipment can be installed. If the two Conference would run our subscription list up to something like 30,000, it would be possible to purchase the new equipment. If this cannot be done, then it will be necessary to make appropriation enough from year to year to pay for the enlarged equipment.

The Board received with regret the resignation of Rev. G. T. Rowe as Editor. It wishes to extend its grateful appreciation of the service he rendered during his short occupancy of the editorial chair, and with a great deal of pleasure commended him to the Southern Methodists, whom he will serve as Book Editor and Editor of the Methodist Review.

RECOMMENDATIONS

We recommend that a vigorous campaign be launched early in the new Conference year for the increase of the circulation of the Advocate, and suggest that each Conference be requested to secure not less than 2500 new subscribers and at the same time endeavor to hold the old list of subscribers intact. If the Presiding Elders and pastors will secure one new subscriber to every forty members of the church, the 5000 new subscribers could be secured, and the the Board recommends that the 5000 new subscribers desired be distributed to the several charges on that basis.

2. The two Conferences last year appropriated the sum of $5000 to the Board of Publication for the prosecution of the work of said Board, and it acknowledged with grateful appreciation this appropriation and earnestly hopes that they will see the way clear to continue this appropriation, dividing the amount equally between the two Conferences.

3. We again call attention to the suggestion of endowment for the Advocate. During the year 1920 the sum of $250 heretofore contributed by Revs. M. C. Field and J. D. Buie, and certain other friends of the cause, was loaned and is now a nucleus of what we hope to see grow into a large and helpful fund.

Rev. A. W. Plyler has been elected Editor of the Advocate for the ensuing year, and we request that the Bishop appoint him to this work. We nominate F. S. Lambeth to succeed himself as a member of this Board.

(Signed) D. B. COLTRANE, President.
T. C. HOYLE, Secretary.

REPORT OF BOARD OF CHRISTIAN LITERATURE

In preserving and propagating the Faith of our Fathers, we have no more solemn duty than that of creating and disseminating a worthy line of Christian literature. When we read what our Discipline has to say about it, we must see that the wise leaders in our church regarded it our bounden duty to create and circulate a body of literature that shall go forth with the light of heaven to the ends of the earth. And when we consider our Methodist Quarterly Review, our General Organ, the Nashville Christian Advocate, our sixteen Conference organs, our extensive line of Sunday School and Epworth League literature, and the multitude of books circulated by our Publishing House, we are impressed with the fact that we are seeking sincerely to carry out the great plans of our church to spread far and wide our holy and beloved Faith. The minister or member of the Methodist Church, who does not read much of this literature, is living in the dark when his church means for him to live in the light. From the day of its birth to this good day our church has planned that we should be a reading people, and the preacher who does not read and circulate our literature is missing the mark and not in harmony with the high purpose of his church at this point. If Christian liberty is to be preserved and Christian civilization is to be promoted, we must give vigilant attention to the education of our people; and the three most powerful agencies for the enlightenment of the children of men are the school, the pulpit, and the press. When these three agree and co-operate for the propagation of the truth, physical, intellectual, moral, and spiritual, they form a "Triple Alliance" more powerful than all the armies of earth combined. They go forth conquering and to conquer.

We want to make more use of our religious press than ever before. Our General Conference has created "A Board of Managers of Christian Literature" and charged them with the "duty of providing a suitable supply of tracts on the doctrines, history, polity, and evangelistic work of Methodism." These tracts are for general distribution, and $5,000 has been appropriated by the Publishing House to defray the expense of the same. (See 1918 Discipline, Par. 409). Our preachers on mission charges especially are urged to make faithful use of this sacred opportunity to distribute tracts and educate our people. Write to Dr. A. J. Lamar, Nashville, Tenn., for tracts.

A good report comes to us from our Publishing House, showing sales amounting to nearly $2,000,000, and an increase of its volume

of business that has grown faster than the membership of our church has grown, revealing the fact that our people are reading more than formerly.

As for our General Organ, The Christian Advocate, we feel that it is a great paper and we are sure that its wider circulation among our official members and others would so inspire their lives and increase their church loyalty, Christian intelligence and official efficiency, as to well nigh recreate our church in a decade.

We recommend therefore, that all our church officials take our General Organ and Conference organ; and we recommend further, that these papers be placed in all our homes. We believe that it would be a sound Christian investment to set apart from the regular church budget a sum sufficient to send these church papers to the homes of the poor, where they will be read especially where there are children to read them.

The report of the Board of Publication of our Conference is full of cheering facts and we are pleased with the increase of new subscribers during the past year, which now brings our subscription list up to a total of nearly 22,000. We commend Dr. Rowe and Rev. T. A. Sikes for their good work.

We call your attention to the two recommendations of the Board of Publication: First, that we secure in both Conferences this coming year 5,000 new subscribers—an average of one new subscriber for every forty church members; second, that our Conference make a donation of 2,500 for needed enlargement of the plant and improvements of the same. We take over these recommendations into our report and move their adoption by our Conference. We endorse the action of the Board of Publication in their election of Rev. A. W. Plyler as Editor of the North Carolina Advocate and accept the nomination of Mr. F. S. Lambeth to succeed himself as a member of the Board of Publication.

Let our last word in this our report remind us that the greatest literature on earth is in the sixty-six books of our Holy Bible. Not only is this Holy Book the secret of America's political greatness, but of all personal salvation and industrial, social, domestic and political safety. Let all our people search the Holy Scriptures.

C. H. TROWBRIDGE, Secretary.

REPORT OF BIBLE BOARD

The American Bible Society, in its world-wide outreach, is carried on through nine Home and eleven Foreign agencies in addition to the headquarters of administration in New York. Altogether there are two thousand people sharing in the work of the distribution of the Scriptures issued by that great benevolent society. Owing to the great demand for the Bible, increased cost of production and the decreased purchasing power of money, at the beginning of 1921, a 25 per cent increase in the budget over any previous year was made. The amount of the budget for the year was one million two hundred and twenty thousand, three hundred and sixty-nine dollars ($1,220,369.00.) Of this amount, churches and individuals are looked to contribute 55 per cent. This was apportioned as follows: 49 per cent to the Home field; 35 per cent to the Foreign field, and 14 per cent to the general work. Our Conference raised for this worthy cause last year $1,959.21. This year only $1,759.50 was paid, a falling off this year of $199.71.

Of all the interests committed to us, there is none greater than this; for a harvest we are dependent on the seed. The Great Teacher has said, "The field is the world; the seed is the word." To make it possible that the seed fall into the hands of all, that we may have a world-wide harvest, let us one and all give special attention to this great interest—the word of God. Bring it before our people and urge their liberal support.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE

Resolved, that the desecration of our Lord's Sabbath day is imperiling the safety of our nation. Working for profit seven days in the week will destroy the religious life of any man, state or nation.

As a nation, just as well as states, cities and individuals, we should recognize the Sabbath as God commands; and we should not license or permit city, state or inter-state, or national business for profit on Sunday. It is now enslaving millions and teaching millions more the satanic slavery of Sabbath breaking. Our government should not use physical force to make men pray, nor study the Bible, nor go to church, but it should see that a Sabbath day's rest is secured by law to every person under its jurisdiction. This is necessary for our physical, moral and financial growth and safe-

ty; as has been preached by our best statesmen, and decided by our United States Supreme Court, and by our state supreme courts for generations past. A nation that violates the Sabbath regularly is as sure to go to ruin as that Israel went to Babylon and Continental Europe to war.

We hereby approve the National Sunday Law proposed to our President and Congress July, 1921, by Noah W. Cooper, and others as committees from our Tennessee Annual Conference and eighteen other annual conferences of our M. E. Church, South, to stop all inter-state Sunday trains, newspapers, mails and Federal work for profit and secure a Sabbath day's rest for all, excepting emergencies of charity and necessity. We recommend that a committee of three, to-wit: H. M. Blair, A. W. Plyler and R. G. Tuttle be elected to co-operate with like committees from other conferences and organizations to secure the enactment of this law and public sentiment to support it. We urge the co-operation of all Christians. We urge all our preachers and members to preach often and to practice scrupulous obedience to the Sabbath commandment.

The Sabbath is God's day of rest, for all to lay aside all worldly money making pursuits and to teach religion in our homes, in public meetings, to our children and to all. To neglect this prime duty, as is being so generally done, means death to our dearest hopes, liberties, treasures and nation. We must act now or soon it will be too late.

We request our General Conference, meeting at Hot Springs in 1922, to endorse the said proposed National Sunday Law, presented to Congress July 14th, 1921, as above stated and to take suitable action to have this Sabbath Saving Crusade carried on to righteous victory in public sentiment and public law throughout our nation; and through us to all people, as God commands and as our Versailles Peace Treaty urged upon all nations.

We request that our delegates present a copy of this resolution to our General Conference as a memorial from us.

We feel a heaviness of heart, a grave fear, because of habitual practices by our people in desecration of God's Holy Sabbath day, and knowing that we must lose this day forever to the detriment of our people unless we change our practices, and realizing the vital need of our young people for more thorough religious training and the inevitable peril that faces them in failing to remain after Sabbath School for church, we urgently request our pastors to ask the parents to have their children attend at least one church service each Sabbath day.

We deplore the thoughtlessness of many of our people in Sunday automobile riding and insist that the use of the automobile on the Sabbath should be restricted to transportation for purposes of worship, necessity, mercy and emergency.

We appeal to our people, especially of the towns and cities, to assist in the making and insist on the enforcing of such municipal laws as will effectually close on Sunday, grocery stores, fruit, cigar, cold drink stands, ice cream parlors and places of obtaining gasoline and that our drug stores close except for professional necessities.

(Signed) J. A. BOWLES, Chairman.
MRS. GEO. A. HOYLE, Secretary.

REPORT OF COMMITTEE ON SPIRITUAL STATE OF CHURCH

Your committee notes with sincere gratitude many encouraging items in the reports that have been made to this Conference. Revivals, many of them very gracious revivals, some of very far-reaching influence, have been held in all parts of our Conference. The pastors have reported that large numbers have been received into the church on profession of faith, and the growth seen in all phases of the work is such that we are assured that our people have "grown in grace and in the knowledge of our Lord and Saviour, Jesus Christ." We rejoice to note also that many of our people, particularly our young people, are heeding the call of God and following the leadership of the Holy Spirit in the consecration of their gifts and talents unto the accomplishment of the will of God. It is an indication of a healthy spiritual condition when our young people are offering themselves to the work of the Kingdom. This means much for our church and for God's Kingdom.

We need to keep in mind the great importance of the spiritual phase of our work. If we fail in spiritual things we might as well fail in all. God is not pleased with superficial church work. Large numbers and numerous activities in no way take the place of the deeper spiritual work that keeps a church at the foot of the Cross, and in intimate touch with Him who saves the souls of men. No church succeeds until it deepens the spiritual experience of those to whom it ministers.

There are some things we need to keep constantly before our people. We need to call them with great earnestness to the establishment of family altars. A home is a world in miniature; it should be a church in miniaure. To save the world we must save our homes. A great need of this day is more home-religion. Let

the church see to it that, as far as possible, every home has its altar.

We need to keep in the mind of our people the importance of attendance on the public worship of God as a means of grace. And in this connection your committee would urge that every effort be made to have the children attend the services of the church. Let them grow from childhood with the thought deeply imbedded in their hearts that the church belongs to them and that they have a vital part in the church.

Another matter that must be emphasized is the need for activity on the part of the laymen in the positively religious and spiritual work of the church. They need to be used in such service as our prayer meetings, and your committee would urge that the pastors give them such work to do.

We must continue to impress upon the members of our church the importance of stewardship, showing them how it contributes to the spiritual upbuilding of their own characters and of the entire Kingdom.

To draw men to the spiritual life we must draw them from the worldly life, and, therefore, it is necessary to show them the awful sinfulness of worldliness. We must be faithful to our God and faithful to our people for the souls of whom we are to be held responsible, therefore, we must warn them earnestly of the great dangers all around them. The dangers that are lurking in the present day amusements, in the modern songs, novels and moving pictures are so glaring that no discussion of them is necessary in this report, but they should be discussed before our people.

To deepen the spiritual life of our people we must earnestly preach the fundamental doctrines of our Methodism. As we open before our people the Word of God let us give it to them as the one Book of Divine inspiration and supreme authority. Let us emphasize the Bible doctrine of the necessity of the new birth, the efficacy of the blood of Jesus Christ, the privilege of a life of holiness unto God, and the immortality of the soul.

It will be mighty hard for a church to be more spiritual than the pastor of the church. Therefore, let the preachers look within. Let us walk in close fellowship with Him to whom we try to attract men. Let us covet the honor of making others think of God by our very presence. As we go in and out among our people let them all be able to say: "There goes a man of God."

H. G. HARDIN, Secretary.

REPORT OF COMMITTEE ON SUPERANNUATE ENDOWMENT FUND

The Committee submits the following:

1. That in view of the outstanding obligations of the people of the church, growing out of the Centenary and Educational campaigns, the prospect of securing new subscriptions to the Superannuate Fund would not justify the appointment of a regular agent with that end primarily in view for the next Conference year.

2. That as a large part of our present fund consists in Building and Loan subscriptions to be and being carried to maturity, and other obligations payable annually, it is important and necessary that the committee have an agent or secretary to look after and urge the maturing and payment of these obligations.

3. That J. P. Rodgers be appointed to such position and be paid a salary of sixty dollars per month and incidental expenses and that provision therefor be made by the Commission of Finance.

(Signed) J. A. BELL,
W. C. HOUSTON,
J. B. IVEY,
M. D. STOCKTON,
E. A. COLE.

REPORT OF COMMITTEE ON CHURCH PROPERTY

We are very much gratified to note the tendency of our people to erect good church buildings with modern Sunday School facilities; and heartily commend our rural charges for the progress they have made during this year.

We note with pleasure that notwithstanding the financial depression, our people have been actively repairing and remodeling the parsonages of our Conference and that many new and commodious ones have been built, looking to the better accommodation and greater comfort of those who occupy them.

We suggest that where the erection of new churches is contemplated in our rural charges as well as in our towns, that Sunday School facilities should receive due consideration.

We urge our people to make an effort to build a parsonage on every charge; and wherever practicable, let these buildings be furnished with modern conveniences.

Your committee is greatly pleased with the tendency of our city churches to patronize our own Fire Insurance Company, and heartily commend them therefor.

We regret to note that, of our rural church buildings and parsonages, a large majority are not protected by insurance.

We earnestly urge our laymen to see that our church property is protected by insurance and that they patronize our own company wherever possible.

(Signed) J. P. MORRIS, Secretary.
W. M. SMITH, Chairman.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS

The records of the Greensboro and Mt. Airy districts have not been presented.

Nine records have been examined and appear to be correct and are neatly kept.

In one record the official roll, the list of committees, and the signatures of the president and secretary are omitted.

One record has the minutes for the past two years pasted on the blank pages of the book, subjecting the binding to a strain, which will increase if this practice is continued.

A note has been attached to each record containing omissions or errors calling attention thereto.

(Signed) C. L. McCAIN, Chairman,
R. L. SNOW, Secretary.

REPORT OF THE DIRECTORS OF THE METHODIST MUTUAL FIRE INSURANCE COMPANY

Your Board reports that they have gone into the affairs of the Methodist Mutual Fire Insurance Company covering the period from October 1st, 1920, to October 1st, 1921, and after a thorough examination found the books of the Secretary and Treasurer in excellent condition.

There is insurance in force at the present time $1,198,335, which represents about $100,000 net increase over the previous year. The policyholders are expressing their appreciation of the protection afforded by your company.

The losses of the company for the past year are $510. The assets of the company at the present time are $13,237.66.

We recommend the re-election of E. A. Cole as director, his term to expire 1826.

Your Board would urge the members of the Conferences and each Board of Trustees holding property for the church within the

bounds of the Conferences to see that such property is adequately protected in our company. E. A. COLE, President.

REPORT OF THE BOARD OF MANAGERS OF THE METHODIST SUMMER SCHOOL

The fourth session of the Methodist Summer School held at Trinity College, June 8-17, 1921, met the fullest expectations.

The report of the Dean, Professor H. E. Spence, shows that from the Western North Carolina Conference 35 undergraduates passed on all courses, and from the North Carolina Conference 21 undergraduates passed 107 courses. But for the number of men who had college credits the number of courses taken would have been greater. Total of undergraduates 56; total number of courses taken 318. Last year 62 passed 224 courses. This indicates much better work done and the instructors testified that the class work was the most satisfactory yet. It was very fine.

Dr. A. T. Robertson gave each day an exposition based on the Greek New Testament. This was largely attended but no records were kept or credits given.

Rev. E. E. Beauchamp met a class each day in the study of the country church.

Bishop Edwin D. Mouzon, Dr. H. C. Morrison, and Dr. W. I. Cranford were heard in special lectures and addresses.

More than two hundred were in attendance and the interest well sustained throughout. Better fellowship and a more serious purpose ran through the whole. This venture is no longer an experiment.

The purpose of the management is to increase the scope of the school and to make the courses attractive to an ever enlarging number. The country church and the Sunday School should have special consideration.

More money is needed. The active interest of every Presiding Elder and pastor must be enlisted until Trinity campus in June reaches the boundaries of the state. Trinity College should be the clearing house of ideas for North Carolina Methodism which is always hospitable to ideas and the divine impulse.

(Signed) M. T. PLYLER, President.
JOHN W. MOORE, Secretary.

COMMISSION FOR CHURCH AT CHAPEL HILL

The Joint Commission charged with the building of a new church at Chapel Hill submits the following:

1. The Joint Commission was authorized by the two Conferences in North Carolina to proceed with the building of a $150,000 church, the money to be derived as follows: From the two Boards of Missions, $20,000 each; the two Boards of Church Extension, $10,000 each; the General Board of Church Extension, $20,000; the local community, $20,000; and the Alumni of the University, $50,000.

2. This Commission felt that the old church lot was inadequate for such a building. So the matter of location was of first concern. After a full consideration of the entire situation, an exchange of properties was effected with the University, which was of mutual advantage. By this exchange, the present church lot has 68 feet additional on the front, with 12 feet basement on either side for a passageway. This gives us a lot 180 feet front, and 200 feet deep, bounded on three sides by the University campus. Without a question, it must be admitted that the Methodists have the most strategic location enjoyed by any church in Chapel Hill, and also let it be said that the University, recognizing our need and appreciating what we are attempting to do, was really generous to the church.

3. The local church has assumed its proportion of $20,000 and the several Boards of the Conferences have assured their part, $60,000. Plans are being laid for securing the $50,000 from alumni and friends of the University. The Commission requests the preachers and laymen of the Conferences to hereby pledge themselves to give their sympathy and lend their best aid in doing the work enterprised by the Conferences.

4. This Joint Commission is composed of E. K. McLarty, R. M. Courtney, Leon Cash, J. H. Barnhardt and J. F. Shinn, for the Western North Carolina Conference; M. T. Plyler, A. D. Wilcox, Euclid McWhorter, Walter Patten, and C. T. Rodgers for the North Carolina Conference.

That the local church may be organically related to the Commission in working out the many details involved in building, it has been mutually agreed by this Commission and the Chapel Hill church that the Commission having in charge the Chapel Hill enterprise be composed of five additional members representing the local church, viz: L. R. Wilson, E. W. Knight, R. L. Stroud, Clyde Eubanks, and N. W. Walker. This constitutes a Comission of fifteen members which will be charged with working out all plans and pushing the enterprise to its consummation.

The Commission takes it that the adoption of this report not only approves work done to the present, but also urges that the work be pressed with all reasonable dispatch.

(Signed) M. T. PLYLER, Chairman.
R. M. COURTNEY, Secretary.

REPORT OF THE TRUSTEES OF THE CHILDREN'S HOME

We are glad to report that in spite of the many difficulties under which the Home has labored during the year we come to its close with its affairs in better condition than at any time in its history.

In the long illness and deplorable death of our Superintendent, we have sustained a loss that those who knew Walter Thompson realize will be hard to replace. During his long illness the affairs of the Home were most ably administered by Mrs. Thompson and Rev. W. F. Sandford. We wish to here record our sense of appreciation to each of them and their co-workers for the excellent work they have done.

There are now one hundred and fifty children, seventy boys and eighty girls being cared for at the Home. We are happy to report that health conditions during the year have been excellent.

In spite of the difficulties under which the administration has labored there has been great improvement in the physical condition. We have been unable to prosecute the building program as vigorously as would have been done if the Superintendent had been able to supervise construction. At the same time much has been done in the building of additional barns, building and equipping a wood work shop, and laundry, installing heating system in four of the buildings, etc.

The old Superintendent's Home is being used as a temporary Infirmary and upon the completion of the Child's Hospital can be used as a dormitory accommodating thirty children.

The farm has been succeessfully conducted, supplying the Home with all vegetables needed during the summer, raising one hundred and four bushels of wheat and sufficient pork to last for the coming year. The dairy furnishes an ample supply of milk.

The Tise Building is now in course of construction and when completed will accommodate sixty boys.

Sufficient funds have been paid by the people of Winston-Salem to begin the erection of the Child's Hospital. Plans have been drawn for the first unit and this work will begin at an early date.

The rest of the building program will be prosecuted as rapidly as possible.

The bequest of the late John Neal has not been collected, owing to some matters of litigation. The Board is informed by its attorney that most of the difficulties have been cleared up and they are of the opinion that we will receive this money in a short time.

We nominate the following Trustees: Geo. L. Hackney, J. W. Moore, H. K. Boyer, A. E. Smith, G. T. Roth, Dr. Fred Hanes, Rev. J. F. Kirk, (1925.)

We recommend the continuance of the ten per cent assessment.

Rev. C. A. Wood has been elected Superintendent of the Home and we respectfully request the Bishop to appoint him to that place for the next year. T. F. MARR, President.

MEMORIALS TO THE GENERAL CONFERENCE

The Committee recommends:

1. That the date of birth shall be included in the church record of the baptism of young children.

2. Amend Paragraph 341 of the Book of Discipline so that monies collected by Annual Conference Boards of Church Extension for exclusive use within Conference bounds be left in their own hands for distribution, instead of the present plan of distributing said funds through the parent Board.

3. That the next financial offering to be asked of the church at large be for a superannuate endowment fund in such sums as will afford adequate support for the superannua tes and their dependents in the various Conferences. That no other issue be involved in such call, and that it be made within the next four years at such time as the General Conference may direct. That the funds raised in each Conference be apportioned 40 per cent to the General and 60 per cent to the Conference Board.

4. That the General Conference so change the law that the duties of the Conference Treasurer, referred to in Paragraph 449 of the Discipline, be enlarged so that he shall be the Treasurer of all the Conference Boards.

5. The creation of a Department of Social Service with a paid secretary. The Committee on Memorials approves of the idea but asks that it be operated under the direction of the department of Home Missions.

6. The erection of certain standards of faith and practice for officers and teachers in educational institutions owned or controlled by the M. E. Church, South. That they shall be members of some

evangelical Protestant church and be actively identified with some church or Sunday School organization in the community where they reside, or where the institution is located, and that they shall believe in the inspiration of the Holy Scriptures, the virgin birth and Deity of our Lord Jesus Christ.

7. That we declare ourselves ready to accept any equitable plan of union of the M. E. Church and the M. E. Church, South, that shall be satisfactory to the representatives and members of both churches, and we memmorialize the General Conference to adopt any proceeding or plan that may seem wise which promises to accomplish the said result.

(Signed) D. ATKINS, Chairman.
C. S. KIRKPATRICK, Secretary.

MINUTES OF CONFERENCE HISTORICAL SOCIETY MEETING

The Historical Society of the Western North Carolina Conference met in Wesley Memorial Church, High Point, on the evening of October 18, 1921, Rev. W. L. Sherrill, vice president of the Society, presiding.

Rev. H. C. Sprinkle conducted the opening devotions, reading the 8th Psalm, offering prayer and announcing hymns 2 and 415.

John W. Moore was elected secretary pro tem.

The chair appointed the following as a Committee on Nominations, viz: E. R. Welch, G. A. Stamper and H. C. Sprinkle.

Rev. J. E. Thompson was appointed by the chair to preside while the paper of the evening was read by Rev. W. L. Sherrill. The subject of the paper was "The History of Methodism in Davie County," which was both very instructive and interesting. Brother Thompson spoke on certain characters mentioned in the paper in a very personal and pleasant manner.

A collection was taken, amounting to $12.68.

Upon the recommendation of the nominating committee, the following were elected officers of the Society for 1922:

President, Rev. W. L. Sherrill; Vice President, Rev. John W. Moore; Secretary and Treasurer, Rev. H. M. Blair; to fill vacancy in the Executive Committee, Rev. W. A. Lambeth.

MINUTES OF THE THIRTEENTH ANNUAL MEETING OF THE BROTHERHOOD

The Western North Carolina Conference Brotherhood met in annual session at High Point, N. C., Thursday afternoon, October 20th, 1921, at 2 o'clock, with W. L. Sherrill, President, in the chair. After devotional services conducted by Z. Paris, C. M. Pickens, the Secretary read the minutes of the last annual meeting and they were adopted. On motion of W. R. Ware the Secretary was directed to bring the claims of the Brotherhood before the Conference while in session, provided an opportune hour could be secured. C. M. Pickens read the Secretary and Treasurer's report, which showed the Brotherhood to be in fine condition. Seventeen hundred and fifty dollars is being paid promptly to each beneficiary. N. R. Richardson offered an amendment to the constitution relating to funds to be paid to superannuates. According to the constitution this paper will come up at the next annual meeting. T. C. Hoyle, a layman of Greensboro, read a paper which had been prepared by himself and F. C. Boyles, looking to the larger usefulness of the Brotherhood. This paper was referred to the executive committee with instruction to report on it at the next annual meeting. Brothers Hoyle and Boyles were thanked for the paper and for their interest in the work. E. N. Crowder, L. A. Falls and C. M. Short were appointed a committee to solicit new members. Officers for the next year were elected as follows: President, W. L. Sherrill, Vice President, W. R. Ware; Secretary and Treasurer, C. M. Pickens. An Executive Committee was created to consist of the officers and two other members to be appointed by the President, who named G. D. Herman and W. L. Dawson as the two additional members of the committee. The amount to be paid to beneficiaries for the next year was fixed at $1750.

The meeting adjourned with the benediction by D. Atkins.

In addition to the clerical members whose names are published, there are nearly 2,000 lay or honorary members whose names would also appear here but for lack of space in the Journal. MEMOIRS

REV. R. S. ABERNETHY

Rev. Robert Sydney Abernethy passed very suddenly from earth to heaven January 10, 1921. He had just stepped from his home in Rutherford College, N. C., to the street to hand the postman a letter to be mailed when the summons came. He reeled and fell to the ground, was picked up and carried to his room; but he breathed no more. His spirit had gone to be with God.

His body sleeps in the cemetery in the village of Rutherford College, where we laid it the day following his death. The funeral service being conducted by the writer, assisted by President Hinshaw and others. A large concourse of people gathered to pay tribute to a fallen neighbor, comrade and friend.

He leaves a widow, who was Miss Julia Blair, and who has made the journey of life with him since November 14, 1875. There are six children, one of whom preceded the father to the better world. None of these were with him at the end except the good wife, all of the children having gone from under the parental roof.

Brother Abernethy was born in Catawba Count, N. C., and lived there till he was sixteen years of age. With his parents he then came to Rutherford College, where he spent the remainder of his life except those years spent in the itinerancy. He was educated in Rutherford College and later taught mathematics in the same institution. Following this he was admitted into the North Carolina Conference at Fayetteville in 1887. As an itinerant minister he served the church faithfully till failing health compelled him to take the superannuate relation in 1899. In 1911 he was superannuated and in this relation he waited, and labored as strength would permit, till the cross was exchanged for a crown.

It was not my privilege to know him intimately till I came to be pastor where he lived. And this was only two months before his death. But in my short acquaintance he impressed me as a man who lived close to God. I felt that his citizenship was in heaven. Since I became his pastor he could get about only with great difficulty. He had to use crutches and as he was a heavy man walking was a great burden. Notwithstanding this he came frequently to church and his presence there was a real benediction. He told me of his trials and triumphs as a Methodist itinerant, of his love for

the Master and His work, and of the afflictions of the body. From what he said I am sure that he was looking to go just as he did. Also he intimated that the time of his going was not far off. No doubt he hailed with delight his liberation from the body of the flesh.

It is a very precious thing to me that I was permitted to do him a little kindness at each of the last two times that I saw him alive. At one time I relieved him of the burden of hobbling to the store on his crutches and at the other to get him a seat as he stood leaning on his crutches at a funeral just three days before his own was held. I am proud of this not alone because Jesus said that a cup of cold water given to one of His disciples would not be forgotten, but because I could help to make life a little easier for one of God's own.

This world, I am sure, is much richer on account of his having lived in it; and the blessed influence of his godly life lingers here, and in other communities where he labored, to bless and to cheer the pilgrims in time. He rests from his labors but lives on with his Lord whom he loved and whom he served.

WILLIAM F. ELLIOTT.

PASCHAL COLUMBUS BATTLE

Paschal Columbus Battle was born in Cherokee County, now Clay County, N. C., April 18, 1855, and died in Asheville, N. C., April 18, 1921. When a small boy his father moved to where the town of Andrews is now, and lived there until 1865, when he moved to Franklin, N. C., where Brother Battle grew to young manhood amid the ideal environments and splendid citizenship of that lovely village. At the age of thirteen he became an active Christian and joined the church at a revival held by Rev. T. F. Glenn. His conversion was definite and clear. For lack of proper help and training he lost in a measure his first love and drifted away, but never lost his desire and purpose, and when twenty-two years old he was gloriously reclaimed during a revival at Tomotla conducted by Rev. John W. Bowman, and from this time on he kept the faith and pursued a course of growth and service until the day of his death. From the time of his conversion he felt a definite call to preach, but kept it to himself and fought against it. The impression, however, remained and strengthened with his years and at last in a great struggle alone in the forest he laid himself soul and body on the altar for life. From this time he gave himself to active

service as occasion opened the way. His zeal and his gifts were quickly recognized and he was first granted license to exhort, and soon thereafter he was licensed to preach in Lexington, S. C., in April, 1883. He preached and labored with fine success as a local preacher seven years. During which he was much in revival work, for which he had special gifts, and scores and hundreds were converted and brought into the church.

He joined the Methodist Protestant Conference at Florence, S. C., in 1890, and traveled in that Conference as follows:

1890-91, Lynch's Mission; 1892-93, Conference Evangelist; 1894-95, Anderson Circuit; 1896, Abbeville, S. C.; 1897-98, Randleman and Worthville, N. C.; 1899, Halifax; 1900-04, Mecklenburg Circuit; in 1904 he transferred to this Conference, Methodist Episcopal Church, South, in which he served the following charges: 1904, Haywood Circuit; 1905-06, Mills River Circuit; 1907, Carraway Memorial.

In 1908 his health broke down and he went on the retired list. Since that time while never able for full work he has not been idle. He preached much, helped in meetings and was one year in charge of the Hot Springs Circuit. The last revival he conducted was on Leicester Circuit in 1919, but for the last year he has been confined to his bed in a sanatorium in Asheville.

Brother Battle had natural gifts of a high order. His education was limited to a high school course, but he had a quick and discerning mind and a retentive memory, a pleasing and impressive voice which never failed him, an engaging presence, and a high and dauntless courage. As a preacher he was eloquent and convincing. He loved the church, loved his work, loved his brethren with quenchless ardor and devotion. In his affliction he was patient and resigned. His faith never faltered, and he faced death without a fear. With marvelous coolness and deliberation he made arrangements for the inevitable and waited for the translation with joyful hope.

Brother Battle loved his home. He was kind and affectionate as a husband and father. After the death of his wife a few years ago his home was broken up. His two children, a son and daughter, were in business in Asheville. He was much alone and deeply felt the loneliness of his situation. He greatly enjoyed visits of his friends. His children were loyal and attractive and out of their earnings supplied his wants and made his last years as comfortable as possible. His death was peaceful and triumphant. After years of affliction and trial rest came, and he found his long sought home.

D. ATKINS.

JAMES EDGAR GAY

James Edgar Gay was born in Orange Count, North Carolina, July 31, 1854, and died at his home in Madison, August 23, 1921. He was the son of Dr. and Mrs. William A. Gay. He was married to Miss Margaret Brown, of Hillsboro, N. C., January 22, 1889.

Brother Gay had an unbroken and very successful ministry of 42 years. The fine ideals and exalted purposes which were characteristic throughout his entire career were manifested in the beginning. When only 21 years of age when the educational ideals were by no means what they are now, he sought the best and entered Vanderbilt University, where he took his course, and then obedient to the first call accepted an appointment at Helena, Ark., where he labored two years. He was then transferred back to his home Conference and served the following charges in their order:

1881-84, Hillsboro Circuit; 1885-88, Lexington, 1889-91, Mount Airy; 1892-93, Waynesville; 1894, Mount Zion; 1895-97, Centenary, Greensboro; 1898-99, Brevard Street, Charlotte; 1900-01, High Point; 1902- Haywood Street, Asheville; 1903-06, Spencer; 1907, Lincolnton; 1908, Norwood; 1903-11, Franklin District; 1912-15, Morganton District; 1916-17, Albemarle; 1918-21, Madison and Stoneville.

This record is one in which any preacher might glory. For nearly half a century there is not a break. Called to preach, he obeyed the call literally, never turned aside for anything else, neither counted his life dear unto him that he might finish his course with joy. On circuits and stations and districts he made full proof of his ministry and was successful without exception. As a preacher he was sound in doctrine, earnest and entertaining in delivery, rich in illustration and preached with unction and power. He had gifts as an evangelist and loved revival work. He was scholarly and literary in his tastes and occasionally wrote very sweet verses. Brother Gay had fine business ability. For many years he was secretary and treasurer of the Conference Board of Trustees. Only his associates on the Board could know the labor and skill necessary in the tasks of this office and with what fidelity and efficiency he conducted the large business committed to him. Nothing was ever left undone, nothing overlooked or slighted. His accounts were always perfect and his reports clear and satisfactory. A man's life in his home is the true measure of his real manhood. By this test Brother Gay was great. He was the soul of hospitality and greatly enjoyed the visits of his friends. As husband and fath-

er he was affectionate, considerate, unselfish, and commanded the respect and love of his own. Brother Gay was a friend to man. An epidemic tries a man's soul. In the influenza epidemic Brother Gay spared not himself but went from early morn to late at night in the homes of the sick and dying, many of them not his own flock, praying with them, supplying their necessities and comforting them, all at the risk of his own life.

To know him was to love him and those who knew him best loved him most. He was genial and kind, loyal to his friends, loyal to his church, loyal to his Lord, was without conceit or self-seeking, and endured hardness as a good soldier. He fought a good fight and won the crown of life. We shall miss him in the ranks below, but he has joined the ever-increasing cloud of witnesses on high.

Brother Gay's death was very sudden. After the attack he only lived an hour and ten minutes. He was engaged in a revival meeting in his church. At the service the evening before his death he prayed a most impressive prayer, in which he said, "How long, O Lord, how long?" and so very soon was called from labor to reward.

He was buried at Hillsboro. The funeral service was conducted by Rev. W. F. Womble. His body sleeps in the dust, his influence will never die, his soul is at home with God. D. ATKINS.

REV. R. M. TAYLOR

Rev. Robert Marion Taylor, son of Turner Robert and Sarah Jane (Sparger) Taylor, was born near Mount Airy, N. C., August 1, 1854, and died at Walkertown, November 15, 1921.

He was married May 3, 1880, to Miss Nettie Clay Laffoon near Mount Airy. His marriage was the beginning of a life of family devotion which grew richer with the years. He was licensed to preach the same year at Salem Church, Mount Airy Circuit. He says: "It was fitting that I should be converted, received into membership, recommended and granted license to preach in the same church. Old Salem has ever been a dear spot to me."

Fitting also that his body should rest in the cemetery near the old church where he began his warfare as a good soldier of Jesus Christ.

For five years he served as a local preacher and in 1885 supplied the Dobson Circuit and was admitted on trail into the North Carolina Conference at Charlotte at the close of that year. The following is a chronicle of his later appointments:

Granite Falls, 1886-87; Newton, 1888; Lenoir, 1889; he then transferred to Saint Louis Conference and was assigned to West

Plains, Mo., 1890; Poplar Bluff, 1891, half year, when he transferred to the Western North Carolina Conference, serving Matthews Circuit for the remainder of 1891; Albemarle, 1892-95; Stanley Creek, 1896; Morven, 1897-98; Weaverville, 1899-01; Sulphur Springs, Springs, 1902-03; Statesville Circuit, 1904-05; Franklin District, 1906-09; Mount Airy District, 1910-13; Norwood 1914-17; Forest Hill-Concord, 1918-19; Walkertown, 1920.

He was ordained deacon by Bishop Keener at Charlotte in 1885 and elder by Bishop Hargrove at Greensbro in 1889.

This good man lived well his life and gave to the world a heritage of noble purpose and unselfish service. His father died six weeks after his birth, but his mother in her widowhood was fortunately located near old Salem church, where her children came regularly under the influence of the Gospel.

Though convicted of sin in childhood he did not experience conversion until his fourteenth year under the preaching of Dr. M. L. Wood. He says: "My attendance at Salem church was regular and faithful. I was always in my place except when providentially hindered and that was not often. It was not long before I was called upon to lead in public prayer. I did not refuse; I preferred to try and fail rather than refuse." His boyish sense of duty was prophetic of the man. Good schools were then rare in that section. He could count but twenty weeks of schooling under several teachers, among whom he mentions "that sweet and saintly man, Walter S. Creasy." What good use this boy, working in the summer and going to school in the winter for short terms, made of his scanty opportunities, is shown by his having at twenty taught his first school in Carroll County, Va.

These earlier events in his life are noted to show how the man and preacher was molded by providential circumstances and his reaction to them. The next years are full of experiences common to itinerants, but in all his pastoral fields sheaves were garnered for the Master.

He was for several years secretary of the Conference Historical Society and at Salisbury in 1920 was made its president. It was his desire to write a history of the Conference and he was authorized to do this work by the Conference of 1920. Both as pastor and preacher he was efficient. His preaching was practical and brought results. He used simple Anglo-Saxon words largely. His style was that of a true teacher, direct and straightforward. He was a constant worker and to the last had the dew of enthusiasm on his work. He was optimistic in spirit and knew how to find the point of contact with men. He concerned himself with everything in the

life of the community about him and with the larger interests of the nation. Like every true preacher, he had the marks of a world Christian. The simplicity and sincerity of character native to his early home and training abided with him. No one could think of him as double-mined.

He was independent in his thinking. He did not hesitate to think John Wesley illogical and unscriptural at some points, but there was no blatant noise in his independence. He was progressive without being radical.

As a friend he was grateful and loyal. His tender devotion to his wife and children breathes through every page of his autobiography as well as his gratitude to God for them.

He did a man's work full to the end. On Sunday, November 14, he taught the Sunday school teachers at nine o'clock, as was his custom; taught the Bible class in Sunday school and preached at eleven o'clock. At night he preached his last time from Leviticus 6:13. On Monday morning he arose, ate his breakfast and went to his study and later he was found there lifeless on his bed.

His friends and loved ones know where to find him now. He "walked with God, and he was not; for God took him."

REV. CHRISTOPHER COLUMBUS WILLIAMS

Christopher Columbus Williams was born in Burke County, N. C., August 11, 1864. His father died when he was but two years old. His mother's maiden name was Bettie McDaniel.

His first marriage was at the age of nineteen to Miss Ellen Tucker, daughter of Aaron and Sophie Tucker, of Surry County.

On February 11, 1911, he was married to Mrs. Alice Curtis, of Caldwell County, who survives him.

Brother Williams received sufficient education in the public schools of Surry County to enable him to enter and pursue the mercantile business on his own account at Elkin. Later he was a clerk in a store in Elkin and for several months thereafter was a traveling salesman.

He was converted at the age of seventeen and licensed to preach at twenty-three. While engaged in businsss he was an active Christian, working and preaching as opportunities came. He had a special affection for men. Once after a successful revival meeting he said that God had signally honored him by investing him with

the power to lead grown men to Christ. Doubtless his sympathy and tact with men had been cultivated by his business training and experience.

In 1913 he was appointed Supply on the Jackson Hill circuit. Here he served two years and from here was appointed to Southside, Winston-Salem, where he remained for a quadrennium, and in 1919 he served Welcome circuit. In each of these pastorates he showed more than average preaching and administrative ability. He put Southside on a more substantial basis and built a comfortable parsonage there.

He was ordained elder by Bishop Waterhouse at Shelby November 15, 1914.

In 1917 he was admitted on trial into the Conference and received into full connection in 1919.

He remained at the Conference in Salisbury until Saturday, when his physical weakness compelled him to leave. He was induced to remain on the Welcome circuit, and was hopeful that by medical and surgical treatment he would be able to give acceptable service.

He was a man of fine sense. His judgment was uniformly sound. With proper respect for the past, he kept his face to the future. Things for which he was responsible had to move forward with assurance of success. I have seen him tested in important issues that meant progress in his church. With true prophetic vision he never wavered. He was firm, optimistic, courageous.

He died at the High Point hospital on December 21, 1920.

The funeral services conducted at Winston-Salem Southside church were attended by throngs of friends and parishioners, whose presence and gifts of flowers showed their grateful love for this good pastor and friend, and we buried him as he requested in the old Waughtown cemetery. It is fitting the body of this faithful servant of men should sleep near the great thoroughfare where a stream of human life flows all day long. FRANK SILER.

WALTER THOMPSON

The following resolutions of respect, adopted by the Board of Trustees of our Children's Home, to the memory of the late Walter Thompson, for some years Superintendent of that institution, were ordered published along with the memoirs of the deceased preachers:

The Board of Trustees of The Children's Home, meeting for the first time in many years without the bodily presence of its late Superintendent, Walter Thompson, feels more keenly than words can express the absence of his stalwart and kindly figure. We do not merely miss him as a great executive, who was performing a delicate task in a masterful manner, but we miss him as a beloved friend and brother.

The work of Walter Thompson stands as his monument and his life is its own eulogy. Nothing that we can say can add to nor subtract from the sum of that life. It was dedicated to the great task of being a father to the fatherless and of building into the lives of "these little ones" character—the greatest asset of the commonwealth.

We know that he was sought by many institutions and business enterprises that would have resulted in greater personal gain and perhaps have offered a wider, at least a more prominent field of service; but he chose to do the work that the church commissioned him to do, counting it his mission in life to minister unto the destitute.

Like many strong characters he had eccentricities, but through all he did what he undertook in a manner that caused all who knew him to love and trust him.

To our limited vision his death seems untimely. He was stricken amidst the most important days of his administration, at a time when larger funds made a great enlargement of his work and opportunity possible. Therefore, be it resolved:

First, That we desire to express our profound grief at the going away of this great and good man, realizing the sense of the loss which The Children's Home and the orphaned children of the whole state have sustained in his death.

Second, That we wish to record our very highest appreciation of the work which he has done and to express our sincerest regret that he is no longer here to prosecute this great task.

Third, That we extend to his bereaved wife and children the very deepest sympathy of our hearts, commending them to our heavenly Father, who alone can sustain and give them comfort in these dark hours of bereavement.

Fourth, That this Board desires to record its sense of appreciation for the valuable assistance which Mrs. Thompson rendered her husband throughout the years of his administration.

Fifth, That a copy of these resolutions be sent to Mrs. Thomp-

son, a copy to the North Carolina Christian Advocate and that they be spread upon the minutes of this meeting as a permanent record of the estimate in which Walter Thompson was held by this Board of Trustees.
